Asst secretary: Justine Howard

Dear Members of the Society,

Christmas wishes

As the Society's newly elected President, I have the pleasure and the honour to wish you and your families a happy and holy Christmas, and a prosperous 2009.

I am deeply humbled by my recent election, and look forward to re-invigorating our Society as the leader of a freshly elected Council. I recognise and congratulate also all the members of the outgoing Council, who have worked hard to maintain the ideals of the Society.

There are many events planned for 2009. I invite you to note in your diaries those listed below, which are scheduled for the first six months. Details will be disseminated as they become available, and will be posted on the Society's website at www.stmsociety.org.au.

The Society's year commences with the Red Mass on 2 February 2009. I hope to see you all there.

With best wishes in this holiest of seasons,

Yours in Christ,

Bill Dawe QC KCHS
President
